VISITING STALLION

NEUADDPARC REBEL by Synod Rascal ex Neuaddparc Welsh Maid by Nebo Daniel has been on lease since Spring 2005 and we excitedly await the foals from this extravagantly-moving black stallion.

RIDDEN PONIES

In lead rein and first ridden showing, great success has been achieved by the family Schaay from Diss, Norfolk. Produced and trained by Mrs Lizzy Govier-Schaay and shown by husband Nick Schaay are:

TEMPLEDROID CILENTO

4 year old SEC A, cream/dun gelding
2 firsts and champion Barford and
Ramplingham.

T.HYPERICUM

4 year old SEC B gelding by Woldberg's Ravel ex T.Hanna
13 firsts, 3 champions and 3 reserve champions since mid 2004,
at both in-hand and ridden.

TEMPLEDROID HYWEL with Amanda and Darren Plumb has a new jockey, Madeline Plumb, aged 4, who is already winning, but hoping to rise to new heights with **TEMPLEDROID JABORANDI** this year.

In Wales, Alison Evans and her children are enjoying considerable success with **TEMPLEDROID GAIA**, by Bengad Rockmat, at show hunter lead rein and **TEMPLEDROID BLUE MOON**, by **TEMPLEDROID WELSHMAN**, at show hunter. **TEMPLEDROID RAMADAN**, by Weston Rocket, has made his debut in first ridden.

IN-HAND

Danielle Cassidy has started winning with **TEMPLEDROID BLUE STREAK (A)**, though this is preparatory to lead rein showing in 2007. She will be training a cream/palomino gelding as a lead rein this year for showing and sale.

DRIVING

Edwin Flerrackers (Belgium) has sold his team containing three Templedruid ponies to international competitor, Laura Astegiano (France). A new team of chestnut part breeds are in training to take their place to be driven by Phillippe Ruts and trained by Edwin Flerrackers and Staf Van Herck.

In the first phase 5 year olds T. Gwava (chestnut) the oldest of four ex T. Gwa and T. Stonecrop (grey) ex T. Sian are to make their F.E.I. debut in Belgium as a pair this summer.

Coming along also is a young grey team in embryo bred from Templedruid Welshman.

Edwin has the chestnut **TEMPLEDROID WOLFBERRY**, by Templedruid Welshman, in training as a single driven stallion.

2006 will see a novice Templedruid team driven by Françoise Thiry of Belgium, the international championship judge, begin competition in April. All are grey Sec A geldings. Françoise plans to be at national level before late summer and for international level for 2007.

In Holland pairs driver Jan de Boer, who was winner at the third day precision phase at the 2003 World championships at Karlstetten, and Dutch pairs champion in 2004, is adding team driving to his portfolio.

From Weston Rocket (still at Templedruid aged 21) he has growing on four Templedruid youngsters - chestnut and grey - training already having been started on the older two.

THE WORLD FEI DRIVING CHAMPIONSHIPS held at Catton Park, England, July 15th - 17th

Eight Templedruid ponies competed. They were in the hands of:

- a) Bart Verdrongen - Belgium
T. Congo, T. Salso, T. Simkim, T. Syzergy and T. Eye of the Storm.
- b) Claudine Laplume - Luxembourg
T. Rafia, T. Kali.
- c) Jo Rennison - England
T. Ganges.

TEMPLEDROID GANGES was loaned to Jo Rennison, at her request, for Sandringham from owner Julie Hoskyns of the Isle of Wight and, such was his performance at Sandringham, that Jo asked if she could keep him on loan for the marathon at The World.

His outstanding performance in the marathon at Catton helped Jo to a great win. 'My left turns were fantastic' said Jo (Horse & Hound 21st July 2005).

TEMPLEDROID GIRONDE, a grey son of Templedruid Welshman, is full brother to Templedruid Ganges. He is currently producing young stock with, we hope, great driving potential. Three are already available with more to come in the Spring.

From Luxembourg - Claudine Laplume with her young pair performed in a very commendable way just missing being in the first three in all sections. With **TEMPLEDROID KALI** only in her third competition this was a considerable achievement.

Kali (left) and Rafia (right) are at start of third day precision phase.

In dressage
test 6.

At hazard No. 1
on the marathon.

At hazard No. 6 The Water.

Bart and his complete team of Templedruid ponies built on his previous successes by winning the international competition at Breda in Holland and, three weeks later, another at Beekbergen, Holland in 2005.

He was Belgian Champion and shared the Belgian points cup with Tinne Bachs. This season Bart is bringing two young Templedruid ponies into his team and has others growing to ensure a continuation.

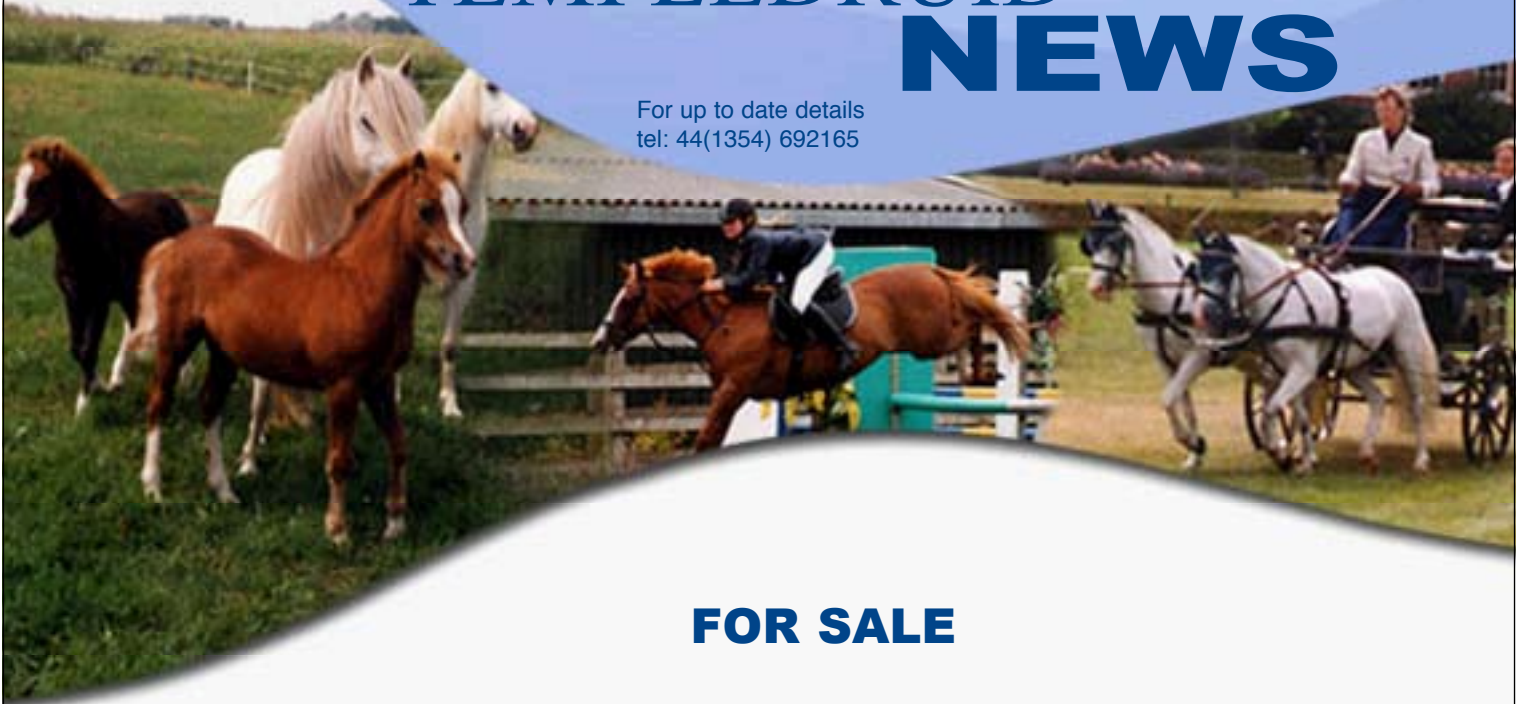

In the pairs in Belgium in 2005 Weston Rocket offspring have excelled. At Zandhoven, Jos Van Borght made it his ninth successive win in the dressage in 2005 with **TEMPLEDROID GALLO** and **TEMPLEDROID GALAXY** and at Booischot, Johan Schietcatte is seen here with **TEMPLEDROID GILELS** and **TEMPLEDROID SINFONIA** on the marathon.

Johan has just added **TEMPLEDROID GINDERALE** (2005 foal) ex **TEMPLEDROID GILA** full sister to **TEMPLEDROID GILELS** to his group to be followed in 2006 and 2007 by Gila's next two foals.
